Re: Frequency Confirmation

Dear Bill:

This is to confirm your reception of WRFA Radio for America - 820 AM, on November 28, 1987 at 5:49 to 6:06 p.m., Eastern Standard Time.

We thank you for your report and hope that you will again tune us in and listen to our programming.

WRFA transmit during the day with 50,000 watts using an all solid state Nautel transmitter and during the evening we broadcast with 1,000 watts.

Again, thank you for your report and with kind regards, I remain,

Very truly yours,

Norman Bie, Jr.
